Thanks Eric.

I have taken your suggestions into consideration and have submitted the Status Summary based on the Site Attorney's (Ed's) input. Thanks. It should show up on the website soon.

Subject: USOR - Suggestions for USOR Site Status Summary

Hi Raji –

As we just discussed, attached, for your consideration, are some suggested revisions to the Site Status Summary for the US Oil Recovery site on EPA's web page. Please review these and let me know if you have any questions/comments or would like to discuss these suggestions.

Thanks for considering this input!
